

BE A PART OF THE TREE LAB TEAM
Investigate your world!

MATERIALS YOU NEED:

Just like Stacie, you will be creating an experiment.

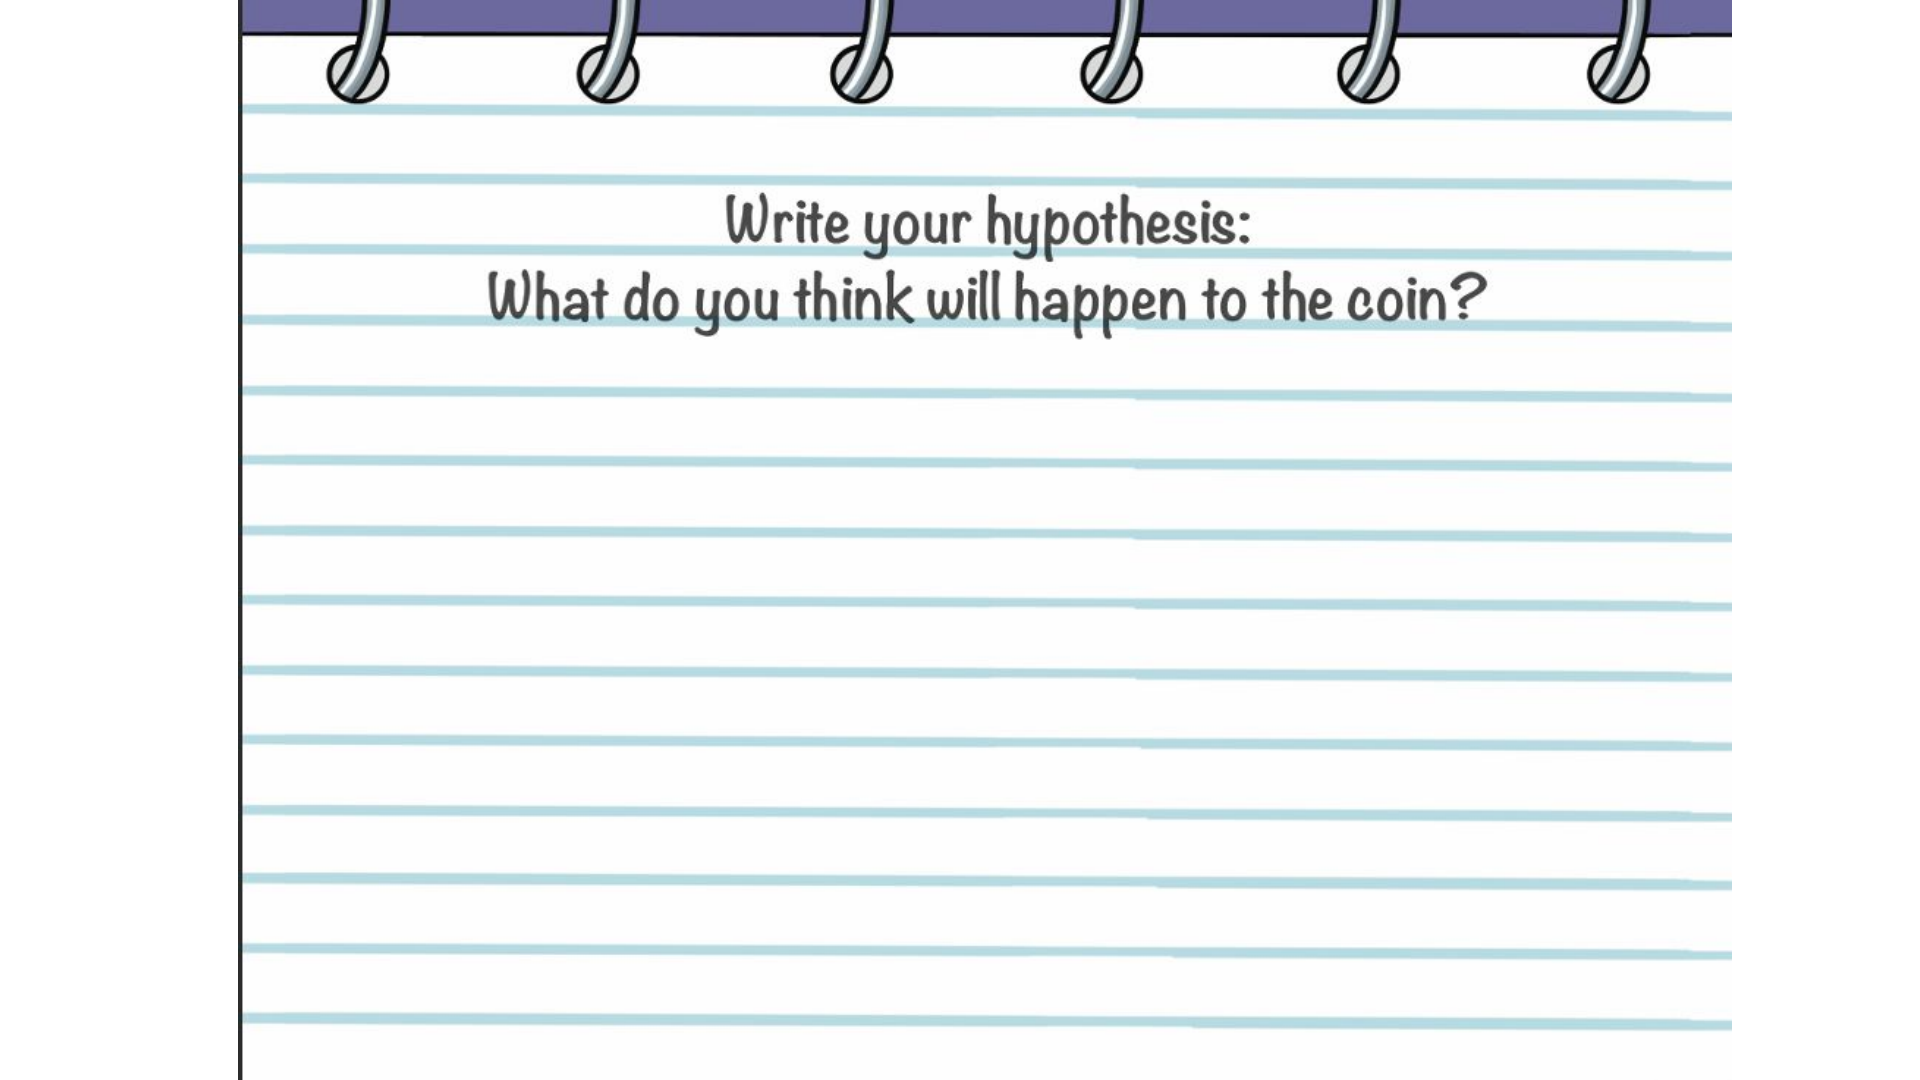

THINK IT!

Create and draw a skate park design on this page!

Make sure it includes a ramp.

GROWN-UPS, be hands-free and let their creativity be!

Write your hypothesis:
What do you think will happen to the coin?

TEST IT!

Be like Stacie and write down your observations.

Write the distance your coin flew on the chart below. (If you want to test more, choose two other objects to test and write them on the chart.)

	 DISTANCE 1	 DISTANCE 2	 DISTANCE 3
COIN			

Was your hypothesis correct?

MY HYPOTHESIS WAS (CIRCLE ONE)
CORRECT OR INCORRECT
BECAUSE...

Congratulations on completing the Tree Lab Trio System:
THINK IT! TELL IT! TRY IT! TEST IT!
